The UAB Comprehensive Cancer Center and PBOC Motorsports Club have once again teamed up for Accelerating a Cancer Cure 2011, a driver competition to raise funds for cancer research.

Drivers are competing to raise funds for the UAB Comprehensive Cancer Center from now until the November 19-20 PBOC Points Race at Barber Motorsports Park. The top two Accelerating a Cancer Cure drivers who raise the most money by November 20 will win a free race entry or driver education school form for 2011-12. The driver who secures the most pledges will win two three-day tickets to the Honda Indy Grand Prix of Alabama. All drivers registered are eligible to participate.

Please note that in order for your gift to be credited to a specific driver, you must make your gift **"in honor" of that driver by selecting "Honorarium" as the gift type and entering the driver's name in the "Memorial or Honorarium Name" field.*

If you attend Accelerating a Cancer Cure on Sunday, November 20, you can get in on the action as well! Track tours will be available at noon for a donation to the event, allowing you to drive your own car on the track. Instructors will also be giving racecar rides for $25 per ride at 10:00, 1:35, 3:00 and 4:30.

**To participate in an intructor ride, you must be 16 years of age and wear a helmet, long sleeves, long pants and closed-toe shoes. Sign up in Media Center on second floor to make your donation and sign a waiver.*

If you are interested in participating as a driver, please contact Miranda Wesley at (205) 934-0034 or miranda.wesley@ccc.uab.edu or click here to download a Driver Form.

PBOC is a driving club dedicated to all levels of high-performance driving. To learn more about PBOC, visit www.pbocflorida.com .

Thank you for supporting the UAB Comprehensive Cancer Center!
